THE FINANCIAL WORLD.

According to the report of the Comp-

roller of the Currency, the national banks in eighteen of the principal cities on September 15, were below their reserve, the average of deposits to loans the average had been raised to 26.06 per ent, a difference of .028 per cent. Only level, and his physicians are sangular that he will be able to do so. Precaution are taken to stimulate the parient, who is ill with typhoid fever, should his chicago. The reduction of loans was small in Brooklyn, New Orleans, New York and Milwaukee. In Dallas the loans increased, but were still below the deposits. The following figures are interesting as showing the condition of national banks in the above named eighteen cities:

On September 15 the excess of loans over deposits was \$272,315,000, while on November 25, there was an excess of deposits over Ibans of \$61,276,00.

The cause for the liquidation which was in progress between these intervals is fully accounted for in the reduction of loans to the amount of \$364,741,000.

By guaranteeing the payment of the By guaranteeing the payment of the principal and interest on a proposed forty million bond issue, the United States Steel Corporation has purchased the Union Steel Company of Pittsburg, the largest competitor of the former company, although its output is but aper cent of the production of the Steel Corporation. It would seem the Steel Corporation has made a close bargain, as the Union Steel accepts bonds at par in payment of the actual money put in the manufacturing plant, bonds also for the market value of its real estate, coal and ore, and besides agrees to pay son Granite Company vs. Guilford Gran-
